

Dear Prospective Member:

We at the Cottage Grove Area Chamber of Commerce appreciate your interest in a Cottage Grove Chamber of Commerce membership. Membership with the Chamber says to our community that you value Cottage Grove, the community and the importance of supporting one another in partnership for our collective future.

Chamber membership benefits us all. The most important benefit to any Chamber member is the ability to network with people like you who are interested in the economic welfare of our community. Your membership investment makes it possible for the Chamber to serve our community through support of economic, cultural, educational and civic projects.

We at the Chamber encourage you to become involved. Attend Business after Hours, Concerts in the Park, Forums and volunteer to be involved. You will find that the more you are able to give of yourself the greater the return you will experience. We truly look forward to working with you in partnership for community.

Thank you,

Jim Gilroy
