WELCOME TO COTTAGE GROVE

A MESSAGE FROM MAYOR CANDACE SOLESBEE

It's easy to take a place for granted when you were born and raised there. I remember attending summer camp as a child and was asked about my hometown. "Cottage Grove, that's a storybook name, sounds quaint." They continued, "Is it nestled in a valley between mountains with lakes and rivers?" At 12 years old, I distinctly remember saying "Don't be silly, of course not." As a young adult, I moved away excited to explore other places. It wasn't until years later I realized how lucky I was to have grown up in Cottage Grove. It was exactly as she had described, a storybook town!

As a two time proud recipient of the All-American city award, Cottage Grove has much to celebrate. Known as the Covered Bridge Capital of the West, the town has six covered bridges to explore (including the last remaining railroad bridge west of the Mississippi).

Enjoy boating, swimming water, skiing, fishing, picnicking or camping at one of the two beautiful lakes. Hike into one of our photo worthy waterfalls, attend a concert in the park, shop at the weekend farmers market, play a round of golf or watch the races at Cottage Grove Speedway.

The Row River Trail is popular with avid bicyclists and families alike. With 14 miles of pavement, what once was the Oreogn Pacific & Eastern railroad, it offers beautiful scenic views of both the Row River and Dorena Reservoir.

If history is more your forte, you will enjoy exploring this gold mining town from the 1800s. The gold mining museum is rich with stories, artifacts, and pictures. Ready to explore the mines in person? Take a beautiful drive into the mountains for a hike.

It is no wonder Hollywood chose this town to film movies such as Buster Keaton's "The General," "The Emperor of The North," Stand By Me," "Ricochet River" and "Animal House."

We invite you to visit our surrounding wineries, eat at our restaurants and shop in our small town stores. It is our hope that you enjoy your time in Cottage Grove and love this "Storybook town" as much as the people who make it their home.

A MESSAGE FROM SOUTH LANE FIRE & RESCUE

South Lane County Fire & Rescue is proud to provide 24/7/365 service to the Cottage Grove Area. SLCFR provides fire protection to a 132-square-mile area encompassing the cities of Creswell and Cottage Grove. The ambulance service area is over 800 square miles. The district currently handles close to 5,000 calls per year. The fire chief is the chief executive for the district and reports to a five-member elected board.

The district operates four fire stations with the Cottage Grove Station (station 201) serving as the headquarters. Station 201 has

career staffing supplemented by reserves and student firefighters 24/7/365. The district has 24 full-time response personnel, including three division chiefs, six captains, six engineers, six firefighters, and three single-role paramedics. The district added the three single-role paramedic positions in 2022 to help with the expanding demand for service. Additional full-time staffing includes the fire chief, fire marshal, and two administrative assistants.

The board, staff, and I appreciate the great support and trust we have in the community and look forward to improving service delivery whenever possible. Your SLCFR team works very hard to deliver the best possible service. Through improved partnerships with our neighboring agencies, we continue to improve the protection provided to the district. Our career, resident, and reserve members are proud to serve you and will continue providing the highest quality service delivery possible.

Sincerely,

John R Wooten
Fire Chief
